Everything Education UK Board Responsibilities

As delegated by the Directors of Everything Education, the Headteacher is the lead for Safeguarding Children and Adults at Risk and has oversight of the staff team which reports on all school safeguarding issues.

Everything Education associates with the local Safeguarding Children Board of each Local Authority in which it operates. Any issues related to safeguarding children will be discussed at these boards as required.

Disclosure & Barring Checks

Everything Education meets statutory requirements in relation to Disclosure & Barring Service – all staff and volunteers who work with Everything Education who meet the 'regulated activity test' (Freedoms Act 2012) are required to undergo an enhanced DBS check prior to employment.

Designated Safeguarding Leads

The Directors of Everything Education have ultimate responsibility for Safeguarding issues. The DSL is clear about their role, have sufficient time and receive relevant support, and training, to undertake their roles, which includes close contact with outside agencies including social services, the Local Safeguarding Children's Board and relevant health care organisations.

Training

All eligible staff and volunteers are required to undertake relevant safeguarding training. Within Everything Education this training takes the form of:

- A mandated on-line training course for all staff each year.
- Inset training at the beginning of each academic year coordinated by the Provision Lead
- Regular safeguarding updates relating to the contextual issues faced by each provision coordinated by the on-site DSL.
- Mandatory specialised DSL training updated every 2 years
